

## **OraSure Technologies to Present at SG Cowen's Health Care Conference**

March 10, 2003

BETHLEHEM, Pa., Mar 10, 2003 (BUSINESS WIRE) -- OraSure Technologies, Inc. (Nasdaq:OSUR) today announced that Mike Gausling, President and Chief Executive Officer, will speak to the investment community at the SG Cowen Health Care Conference in Boston, Massachusetts. The conference will be simultaneously webcast over the Internet.

Mr. Gausling is scheduled to speak on March 20, 2003, at approximately 10:15 am and again at 11:15 am Eastern Time (7:15 am and 8:15 am Pacific Time). Interested investors can access the live audio webcast of the presentation by going to OraSure Technologies' web site, [www.orasure.com](http://www.orasure.com), and clicking on the Investor Info link at the top of the page. A replay of the audio webcast will be available on OraSure Technologies' web site for seven days.

### **About OraSure Technologies**

OraSure Technologies develops, manufactures and markets oral fluid specimen collection devices and tests and other diagnostic products using its proprietary technologies, including immunoassays and other in vitro diagnostic tests and other medical devices. These products are sold in the United States and certain foreign countries to government agencies, clinical laboratories, physicians' offices, hospitals, commercial and industrial entities, and various distributors.

OraSure Technologies is the leading supplier of oral-fluid collection devices and assays to the life insurance industry and public health markets for the detection of antibodies to HIV-1. In addition, the Company supplies oral-fluid testing solutions for drugs of abuse testing. For more information on the Company, please go to [www.orasure.com](http://www.orasure.com).
