

OraSure Technologies to Webcast Annual Meeting of Stockholders

May 1, 2008

BETHLEHEM, Pa.--(BUSINESS WIRE)--May 1, 2008--OraSure Technologies, Inc. (NASDAQ:OSUR), the market leader in oral fluid diagnostics, announced that it will webcast its 2008 Annual Meeting of Stockholders beginning at 10:00 a.m. Eastern Time (7:00 a.m. Pacific Time) on Tuesday, May 13, 2008.

The formal portion of the meeting will be immediately followed by a management presentation and a question and answer session. Persons accessing the webcast who desire to ask questions will be permitted to do so electronically by following the instructions on the Company's web site.

In order to access the webcast, interested parties should go to OraSure Technologies' web site, www.orasure.com, and click on the Investor Info link at least ten minutes prior to the start of the webcast to register, download and install any necessary software. A replay of the webcast will be archived on OraSure Technologies' web site shortly after the webcast has ended and will be available for seven days.

The webcast will also be distributed over the Thomson Reuters Investor Distribution Network to both individual and institutional investors. Individual investors can access the webcast through Thomson Reuters' individual investor center at www.earnings.com visiting any of the investor sites on Thomson Reuters' Individual Investor Network. Institutional investors can access the call via Thomson Reuters' password protected event management site, StreetEvents www.streetevents.com
