**Item 5.02 – Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.**

OraSure Technologies, Inc. (the “Company”) announced today that Gregory B. Lawless and Carter H. Eckert have retired from the Company’s Board of Directors (the “Board”), effective May 16, 2005. Messrs. Lawless and Eckert joined the Board shortly after the merger in 2000 of Epitope, Inc. and STC Technologies, Inc. that formed the Company, and since then have focused on helping the Company develop its long-term strategic vision and achieve sustained profitability.

The Company’s strategic plans for the next 3 to 5 years are now in place and, with its strong financial performance during the first quarter of 2005, the Company has made great progress towards achieving sustained profitability. As a result, Messrs. Lawless and Eckert have decided to retire from the Board so that new members can be added in order to help shepherd the Company through its next phase of growth and development. Mr. Lawless and Mr. Eckert have each agreed to a consulting arrangement in order to provide ongoing strategic advice and support for the Company.
